Workshop Instructions

All workshop users are advised to stick to the term marked in the agenda.

Please come at least five minutes earlier to set the equipment required for your presentation and please try to finish at least five minutes earlier, so the next user can test theirs.

For recognition purposes, you are allowed to brand your workshop with any form of mobile (easily-removable) company prop.

Should you need any kind of help, a staff member will be in front of your hall.

NOTE: Please keep the halls clean and tidy!
